## Four Patch blocks

## Cut List for 16 blocks

Background

32- 3 1/2" X 3 1/2"

64 - 2" X 2"

Scraps in your main color

64 - 2" X 2"

## Instructions:

1- Sew your four patch units together with the background squares opposite each other. Repeat until you have 32 four patch units

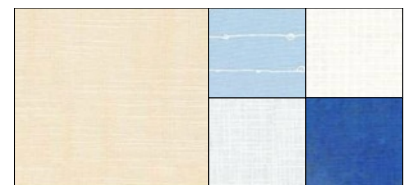

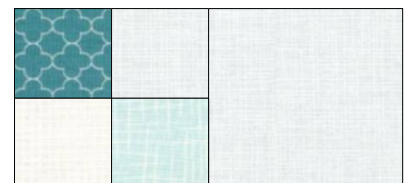

2- Lay the block out as seen in the picture

3- Sew two rows together using the background squares and four patch units

4- Sew the two rows together

Square up to 6 1/2 X 6 1/2

Repeat until you have 16 blocks complete

## Log cabin with 4 patch center

### Cut List for 9 blocks

Random and scrappy strips. They can be any width and length. You'll want to keep them separated by value.

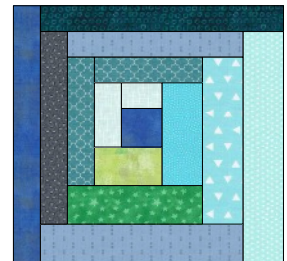

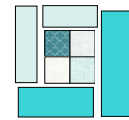

## Instructions:

- 1- Start the center of the log cabin with a 4 patch. If you don't have one, you can either make one or just do a solid square - this can be from 2" - 3" finished
- 2- Start sewing around the center of the log cabin, keeping to the same tone on two sides
- 3- Continue until your block measures 13" X 13"
- 4- Square up your block to measure 12 1/2" square

Repeat until you have 9 large blocks

### Hints and tips:

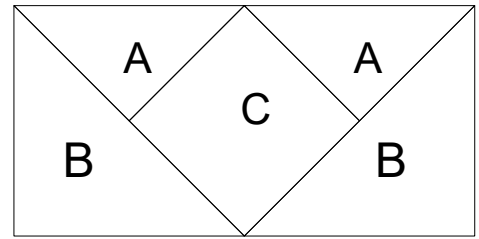

- If your strips aren't long enough, sew two together to get the length you need. Because the log cabin is scrappy, it will blend right in. Try to keep the same value
- All the strips can be different widths. This is time to use up those scrappy strips that don't fit into any projects.

## Outer Unit

## Cut List for 24

A- Light main color

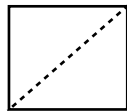

12-  $7\frac{1}{4}$ " X  $7\frac{1}{4}$ "

Cut twice

B - Main color

24- 7" X 7"

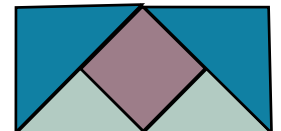

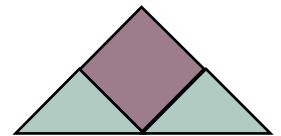

Cut once

C- Patterned fabric

24 -  $4\frac{3}{4}$ " X  $4\frac{3}{4}$ "

## Instructions:

1. Sew the light main color triangles to two sides of the  $4\frac{3}{4}$ " square
2. Sew the large main color triangles to both sides of the unit from step 1
3. Press well and trim to  $6\frac{1}{2}$ " x  $12\frac{1}{2}$ "
4. Repeat for a total of 24 units
5. Square up to  $6\frac{1}{2}$ " X  $12\frac{1}{2}$ "
